## HER FIRST NAME

"Hawaiian servants," said a brown woman, according to the New York Herald, "are the best—the best in the world, but they are strangely unsophisticated, strangely naive."

"Hawaiian servants insist on calling you by your first name. Ours were always saying to my husband, 'Yes, John,' or 'All right, John,' and to me, 'Very well, Ann,' or 'Ann, I am going out.'"

"At last I got tired of this, and to John, when we got a new cook, I said: 'Don't ever call me by my first name in this new cook's presence. Then, perhaps, not knowing my name, he'll have to say 'Mrs.' to me.'"

"So John was very careful to address me as 'Dearie' or 'Sweetheart,' but the new cook, a watchful chap, gave me no title at all."

"One day we had some company, some English officers. I told them how I had overcome, in my new cook's case, the native servants' horrid abuse of their employers' Christian names, and I said, 'By this servant, at least, you won't hear me called Ann.'"

"Just then the new cook entered the room. He bowed to me respectfully and said:

"Sweetheart, dinner is served."

"What?" I stammered.

"Dinner is served, dearie," answered the new cook."

PRESIDENTIAL ELECTION  
WILL MAKE NO CHANGE

No matter which candidate is elected, Foley's Honey and Tar will remain the people's favorite remedy for coughs, colds and incipient consumption. It cures quickly and prevents pneumonia. A. J. Nushbaum, Batesville, Ind., writes: "I suffered for three months with a severe cold. A druggist prepared me some medicine and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar, and eight doses cured me." Sold by the Postoffice Drugstore.

## ALWAYS IN SEASON

The druggist was furnishing up the shop for the fall trade, says an exchange.

"Walter, what is that?" he said to his assistant, pointing toward a stack of wooden boxes.

"Sunburn salve," the young man answered.

"Much left of it?"

"Eighteen gross, sir."

The druggist bit his lip with vexation. He stood and regarded the stack of boxes with frowning intentness. Then an idea struck him and he smiled.

"Walter," he said, "destroy those sunburn salve labels and make some new ones on the hektograph. Put on them, 'Chaparral, the nature cure—instant relief for chapped hands and faces.' Under that name, at the first frost, this whole lot should go off like hot cakes."

## LAST HOPE VANISHED

When leading physicians said that W. M. Smith of Pekin, Ill., had incurable consumption his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds kept him out of his grave. He says: "This great specific completely cured me, and saved my life. Since then I have used it for over ten years and consider it a marvelous throat and lung cure." Strictly scientific cure for Coughs, Sore Throats or Colds; sure preventive of Pneumonia. Guaranteed, 50c, and \$1 bottles at the Anti-Monopoly Drugstore. Trial bottles free.

## AGNES WITHDREW

## THE COMPLAINT

Agnes was wrathful, says an exchange.

"It is well enough for you to say that your were detained at the office on business," she cried, "but how do you account for this long hair on your coat collar?"

"Ah, Agnes," sighed the husband, "you were ever suspicious. I found that in my soup. Surely you would not have had me eat it."

Agnes tearfully admitted that the change was not well founded and begged to be permitted to enter an order of nolle prosequi.

## CURES WINTER COUGH

J. E. Grover, 101 N. Main St., Ottawa, Kans., writes: "Every fall it has been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got her a bottle of Horchound Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stops the cough, and she is able to be up and well." 25c, 50c and \$1. Sold by all druggists.

The Seaboard Air Line has bought Grassy Island at the mouth of the Hillsboro river, and on it will build its Tampa terminals.

## HOW TO CURE

## CORN AND BUNIONS

First, soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by the Postoffice Drugstore.

## HERE TODAY AND TOMORROW

Dr. E. H. Armstrong, the famous eye specialist with his staff of assistants, is at the Ocala House for today and tomorrow, and anyone needing the services of the doctor should call on him at once. Dr. Armstrong has made a splendid reputation throughout the state and his widely growing practice in all parts of Florida testifies to his skill.

District Attorney Jerome of New York City announces to the criminal branch of the supreme court of the state that he intends to present to an extraordinary grand jury the revelations being made to the legislative committee now taking evidence in life insurance affairs. The latest developments before said committee are to the effect that Richard A. McCurdy, president of the Mutual Life Insurance Company, has caused to be given in commissions to his son and son-in-law \$2,400,000 of the company's funds.

## DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

## PROHIBITIONISTS! WARNING!

It relaxes the nervous system, and cures all coughs, colds, croup, whooping cough, etc. A red clover blossom and the honey bee is on every bottle of the original Laxative Honey and Tar. An ideal remedy for children. Mothers praise it. It is best for all. Sold by the Anti-Monopoly Drugstore.

And I thought we made a mighty fine show.

But when I went broke

She called it a joke

And wouldn't be my honey anymore.

## A JUDICIOUS INQUIRY

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine whether it was wanted for a child or an adult, and if a child they almost invariably recommend Chamberlain's Cough Remedy.

The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by the Postoffice Drugstore.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I don't think I could have lived over two months longer. It is a wonderful medicine, and I recommend it to suffering humanity." Sold by all druggists.
